## More Zarlenga Quotes

Trust yourself. Think for yourself. Speak for yourself. Act for yourself. Be yourself.

You are greater than you feel you are. You have the power you do not realize you have!

Your action is proof of what you are.

Failure is caused by ignoring reality and evading action.

Most people think least about what matters most.

If you break your concentration, you will lose. If you concentrate on the wrong thing, you will lose.

Be real, right, good, and true. Choose to cause your own change. Identify, simplify, concentrate, and move. Realize the reality of reality.
